Subject: Request for waiver of Interest on our account No. 0505261000574

Respected Sir,

We are your customer and holding a current loan account since last 07 yrs. & maintaining a good transaction. We are into travel industry due to COVID -19, the whole travels industry has collapsed and business turn over from January 2020 has slow down & comes to zero from February 2020 onwards. We have cancelled the bookings as per the customers requirement refunded the amount which has affected the routine cash flow due to this we have to request you to please waive the interest part from debited to my account from February 2020. We are maintaining our account from last 07 yrs and paying the interest regularly without any delay. We are also having staff salary account with your branch with the same account number.

We hope you will understand the market scenario & consider our request by waiving the interest. By thanking you we assure our full co-operation for a win-win business relation in future.

Thanking You

Yours Faithfully
